

Morning Prayer
by Al Mansfield

Father, in the name of Jesus and according to James 1:5, I ask you to grant me the wisdom to know your perfect will for me this day and every day of my life.

Father, in the name of Jesus, I ask you to grant me the grace, power, help and strength to do your perfect will for me this day and every day of my life.

Father, in the name of Jesus, I ask that I might experience your deliverance, healing and peace in my spirit, soul and body that comes from knowing and doing your perfect will for me this day and every day of my life.

Thank you, Father!
Thank you, Lord Jesus!
Thank you, Holy Spirit!
